

Technology Disclaimer

Flat Springs Baptist Church highly recommends a professional photographer be employed for all videos and photos, as we do not have professional equipment or professional operators. If you choose to secure our operator to use our equipment, this disclaimer as to quality and presentation must be signed. The audiovisual equipment may only be operated by an approved church member, trained by the Sound & Technology Committee. The equipment may not be used if this is not arranged in advance of the scheduled day of use.

Neither Flat Springs Baptist Church nor any technicians recording any services take any responsibility for the accuracy, quality, or completeness of the images or videos provided.
